

Global Investment Transactions Attorney

Role Type: 50%+ Time Contractor Role
Location: Seattle
Apply: <https://capria.vc/transactions-attorney>

Scaling up our International Investment Transactions Activity

Capria has recently raised a new **global investment fund** backed by **IFC (World Bank)** and major family offices to expand our investing in the **\$1 trillion “missing middle” finance opportunity** in emerging and frontier markets.

We are already actively **deploying capital** and working closely with 19 early-growth VC, PE and innovative debt/equity fund managers. <http://capria.vc/network>

Capria is seeking an outstanding, **entrepreneurial**, and self-directed transactional attorney to take on a **new role** managing our **cross-border contracts and investment transactions** legal activity for investments in emerging markets including **Africa & the Middle East, South & Southeast Asia, and Latin America**.

This best candidate will be excited about the opportunity to work in a **fast-paced, startup environment**, learning new things every day and being **mentored by Capria’s leadership** team including David Riley, a Capria venture partner, who as a corporate and transactional attorney has evaluated 1,000+ and formed 100+ funds.

Experience and Capabilities

The most vital areas of experience for a successful candidate include:

1. Relevant **investment transactions experience** (at least 2 years) in private equity, venture capital and/or private debt.
2. **JD** with **outstanding results** from a high-quality institution.
3. Experience with regulatory compliance for **investment managers and advisers** helpful.
4. Experience with **cross-border** transactions also helpful.
5. Bar qualification in Washington state. Other jurisdictions a plus.

Key personal skills and abilities include:

1. Demonstrated aptitude as a **fast learner** of new skills and knowledge and a strong aptitude for using state-of-the-art technology for info sharing & communications.
2. **Outstanding written and verbal communication skills.** Of course, requires awesomeness in concise, effective legal agreement design and drafting.
3. Ability to effectively **synthesize complex information**, exercising **advanced critical thinking** to deliver recommendations and solutions.

The Challenging, Hands-On Role

The best candidate will contribute expertly in the following areas:

- **Contract Templates:** Manage development & maintenance of key investment document templates for GP partnership agreements, warehousing facilities, direct equity/debt private investments, limited partner fund investments.
- **Contract Negotiations & Drafting:** Work with the investment team to negotiate appropriate investment terms and then efficiently turn those into well-designed legal documents.
- **Managing Local Counsel.** Assist with decisions on need for, selection of, and negotiation for services with local jurisdiction legal counsel for transactions and subsequent oversight.
- **Fund Formation & Closings.** Support setup of Capria funds and closings including tax and other implications of structure, LPA negotiations with large LPs, side letter negotiations with LPs, and Form D, Blue sky and other compliance.
- **Compliance.** Oversee ongoing legal and regulatory compliance for the firm in all of the jurisdictions of operations and investing activities.
